DAILY LOG

Office of the Deputy Director

Date 8 February 1963

1. PRESIDENT'S BOARD ON CUBA

Kirk says that there are no new developments. Pat Coyne is coordinating a report among members which should be issued soon.

2.

indicates there has been nothing new since early December. The ship has since left and presumably the sugar is still in the warehouse. Everything else is tied up in legal snarls with little action other than the lawyers' making money.

3.

Personnel advises he will report in on February 25 to 27 for Poly, medical and other testing.
